Business Office

We just wrapped up our annual Member/Guest tournament and it was a success! Thanks to everyone that played and we hope you all had a good time. Shout out to our awesome employees for all the hard work and long hours they work to put on a tournament like this. If a guest that played in the Member/Guest tournament joins the club by the end of May that member or guest will receive a \$200 credit to their account. Please call me for more information.

Our hearts go out to the family of Willie Mays that passed recently. Willie was a regular player here at Berkeley with lots of friends and he will be missed.

Exeter Grill

Let us look back at April, I hope everyone had a good Easter. Our first Good Friday Catfish Nugget day was a hit. The new 2-man tournament was a success. We learned some things we could improve on so forgive us for it not being exceptional. Now to May, so we had the member guest a few days ago and it was a huge success. We had great weather all weekend, had great food and music at the Calcutta party, drank a lot (really, a lot) lol, tried new bourbons at the tasting on Saturday hosted by Berkeley Spirits and our Mrs. Amy and Mrs. Sue who bartended the tent, made great memories and new friends and had all kinds of fun. Cannot wait for member -member and next year for the member guest. We have lots of tournaments going on in May. And business is booming in the grill. Thank you for the business.

We aim to please and provide great service and food. We are trying to plan a summer themed party/cookout of some kind for June. So be on the lookout. You Do not want to miss it. (Beach party or Glo Party???) Let us know what you think!! On a different note, with the way things are right now there may be some price increases in the bar. Everything seems to be going up. We are trying to keep it a minimum increase depending on vendor increases. So please bear with us. Thanks in advance. I really do not have much to say this month except business has been great, all of us girls (Michelle, Tina and myself) really appreciate each of you and are striving towards the future of Berkeley whatever God may have Instore for us. Have a great month cannot wait to see you round the club.
