Around the Golf Course

We are about to head into our fall golf season and we are looking great! Turf wise I feel we are in a great place. In the coming weeks we will be doing some drainage work to improve our course drainage and cut back on our cart path only days.

We will also be doing some tree pruning and removal of some dead trees on the course. Thank you for all of the support for the course!

Exeter Grill

Hello Fall.

I hope everyone has been well. So, October is behind us and it was a blast. From our first wine tasting to the Oktoberfest event we had lots of fun and all were successful due to our great members participation.

November is here and we have lots to talk about, First the hours of the bar and grill have changed with the time. We will now be open 7am-6pm. Secondly, we have a new menu that rolls out this week so come check it out and hopefully we will have few bumps in the transition. And last but most important we have a few "Keep the Date" events we think you might be interested in ...

November 11th Veterans Day, we are offering 25% off to all service members. All day.

November 18th, we have our Wine and Dinner event starts at 5:30, \$30 per person. Dinner is being catered by Amici's. Must have a ticket to attend. To purchase you can call or stop by the bar. The original deadline was Nov 4th but it has been extended to the 11th . This is something you do not want to miss.

We know everyone is looking forward to Thanksgiving. We hope everyone will have a great one and pray for blessings for each of you.

Keep an eye on the calendar in December, Santa is looking to host a Steak Dinner at some time. Date, Time and price to be announced.

Also, the first BIG event of 2021 is the Superbowl pig pickin that BCC will be hosting. Date Time and Price to be announced.

Thank you again BCC for letting our crew and myself be a part of your life.

Business Office

I would like to give a shout out to Lillian in our Grill Room. She has done a fantastic job in such a short time. All the events have been very successful and enjoyed by all. Can't wait for you to see the new menu she has coming out this month. Watch for upcoming events through Facebook or on the web page calendar (www.berkeleycc.com) and make sure you share with your spouse so they can come have fun also!!

November we think of things we are thankful for and I would like to say how thankful I am for my job at BCC and the outstanding employees here. We have had a record setting year and I know some have had hardships due to COVID but for golf courses the pandemic has brought people out to play golf and we have stayed safe while making BCC great!!

Members that have won a gift card from a tournament that credit is applied to what's called your credit book and will not show up on your monthly statement. Also it was brought up at the stockholders meeting about having a suggestion box and for now while we do not have this we ask if you do have any suggestions good or bad to please place in the mailbox on my door or you can always email me, amy.berkeleycc@homesc.com.

Wishing you a happy & grateful Thanksgiving!
Amy

Congratulations!
