Around the Golf Course

Spring is finally here and the course is doing great! We have a few last minute projects we are trying to wrap up before we jump into the summer months so we will be starting a drainage project on 16 fairway Monday and after we finish that we will be redesigning the practice bunker. Our goal is to improve this playability and functionality. We also will be punching the greens on May 3rd & 4th. We are looking forward to having a fantastic spring and summer season this year!

Spring has Sprung! With this beautiful weather we are seeing lots of golfers and lots of new faces. We are looking for another awesome year and appreciate all of you!!

We love to hear from our members and customers so I have added a suggestions box on the foyer table in between the Pro Shop and Grill Room. Any suggestions will be discussed at the monthly board meetings.

Wednesday, April 14th the Grill Room will have to be closed for several hours to have the exhaust fan cleaned. The beverage cart will be out on the course during this time.

Exeter Grill

Hello Spring, we are happy that you have arrived.

So, lets recap, March was a much better month for weather and golfing. We had some 90-degree Saturdays. Makes you wonder 90 in March what the heck? Ill take 90 degrees over rain and cold any day. What is your favorite temp? In March we also celebrated St. Patty's Day with some homemade St. Patrick's Colcannon (which sold out) and some ice-cold Guinness beer. March came and went and now we are in April and we have lots of things going on this month. We have started running beverage cart almost daily and it is a hit. So be on the lookout. We also have added some new liquors to our exclusive liquor catalog. We now carry Tito's Vodka and Jack Daniels Tennessee Fire so come on out and try some. We have been advertising daily specials on the Berkeley page, low country eats out and the new Grill page (Exeter Bar and Grill) that way you can see our daily specials. We also started carrying some healthy options (fruit and protein bars). We have several tournaments in April so please be checking the calendar. Check out the two-man tournament on April 17 and 18th, and the member -guest tournament that starts on April 30th and runs to May 2nd. For the member guest we are trying to host and do some new things to make it bigger and better so be on the lookout. Hopefully, we will not disappoint. Hey members did you all know that you all have certain privileges in the grill room like, you can start a tab and charge to your account, you can pay on your account in the grillroom, you can add a tip and charge the total (tab + tip) to your accounts. *That is pretty much it for this month.*

Thank you for allowing me to do my best which is hopefully what I provide to help Berkeley grow to be better.

Love all of you - *Lillian Ertz*
