Holiday Hours

Christmas Day: Closed
New Year's Eve: 7am-5pm

Around the Golf Course

Happy Holidays and good things are heading our way!!! I am very pleased with the course conditions as we enter the winter season. We just applied the second application of pre emergent the week of Thanksgiving for paonia control, so far it has been working well for us this year. On November 30th we shut the range down to install 1600 ft of drainage pipe on the range, we believe that it will improve the quality of our range along with the new hitting mats. I want to say a big thank you for all the guys involved in helping us provide excellent playing conditions here! We will continue to do on course drainage projects this winter to improve our on course drainage system. Thank you so much for your support!

Ed Walker

PRO SHOP

Driving Range: Mats for the Driving range are now in. The schedule for Mats will be Monday, Tuesday, & Thursdays.

The Driving range will be closed through December 7th for drainage maintenance.

Golf Carts: (NEW CARTS) We will be getting a new fleet of golf carts this December.

All carts should be in 15 minutes prior to dark.

Welcome New Members!

Please join us in giving a welcome to our newest BCC Members. We are excited to have each & everyone of you & look forward to seeing you around the club!

Cam Parsons, Ted Hayden, & Abraham Ancer -4
Nick Bauer, Tim O'brien, & Dylan Fritelli -4

Last 6

Sean Sweeney, Nick Goodremote, & Dustin Johnson -5

Overall

Sean Sweeney, Nick Goodremote, & Dustin Johnson -5

Exeter Grill

Greetings my family/ Members,

It is December and by the grace of God we have made it another year, I pray that 2021 will be much better for our world than 2020. So, with the opening out of the way, we were sorry to announce that we had to cancel the wine and dinner event in November due to uncontrollable events. We do plan to schedule another one in the upcoming months. The staff and I want each of you to know how much we love and appreciate each of you. We have added some new liquors with new drinks to the bar. Stop by and try one. Also, the new menus rolled out last month and we would love to know what you think and what is your favorite. We have some upcoming events that are going to be exciting they will be listed below.

December Event

Dec. 11th Steak Dinner (You must RSVP/ Pay by Dec 6th) for details Stop by the pro shop, the grill or call. It is for members only. Again, deadline to pay or rsvp is Dec 6th.

Also, childcare is being provided \$10 per child.

We do have some other events coming up in the new year so make sure you are checking the calendar and newsletter, like there will be a whiskey tasting/dinner at some point within the new year. We are planning on hosting a pig picking for Superbowl. And who knows what else, we at the bar and grill are so thankful for each of you and so excited for what is transpiring with Berkeley Country Club.

Most important for this month, I like to remember the reason for the season. Jesus!! I am thankful that he worked all the events in my life to this moment where I have an amazing job working with and for amazing people. I thank him everyday for the blessings and keeping us all safe.

So, let me end with wishing each of you a VERY MERRY CHRISTMAS and hope each of you will be blessed and kept safe. I love each of you.

-Lillian

Business Office

I would like to wish everyone Happy Holidays! Christmas is a season of both gratitude and blessings. As 2020 is coming to a close, I'd like to take this opportunity to say that even with the uncertainties and challenges we've faced in 2020, it has still been a very positive year at BCC. The growth and support we have seen over the last 12 months have truly been remarkable. What a gift it's been to see the members and guests coming and going, supporting the Club, week in and week out. I feel sincerely blessed and I hope to continue this wonderful energy and momentum throughout 2021.

Merry Christmas, Amy

Board of Directors

Words From our Board of Directors, President

I am Robert Bogart, known as 'Bogie', and I have the pleasure of being the President of the Berkeley Country Club for the past year and now will be again until October of 2021. It has definitely been a crazy year with COVID but it has been great for the financial health of the club. I have been on the board for 3 years and have never seen us with cash in the bank to some of the things the board believes needs to be done to improve playability and improve revenue for the course. Some things we did this past year was the #10 and #18 'T' boxes and improved drainage on the front 9 mainly along #1 fairway, #2 green/#3 'T' box, and the ditch on #7.

We are looking at many different upgrades and improvements for the course. As it turns out we will be spending approximately \$60K on a totally new pump house for the irrigation system. If you have been to the driving range you can see where we are going to put in mats to be used 3, 4 or more days a week because our current area is not big enough to accommodate teeing off the grass 7 days a week. In addition, we need to continue to improve drainage of the landing area for driving range to allow it to be open more often. Recently we have signed a 4 year agreement to lease new Club Car golf carts. These will be GPS controlled by the pro shop to control the play on the course. And with that, a pressing need to is improve the cart paths as much as we can prior to having the new carts arrive. Another smaller project is changing the vanities upstairs.

Going forward we are trying to get some ideas on how to improve the grill room area and outside on the #10 'T'. Other projects we are looking at are, improving drainage on the back 9, #1 'T' area, outside pavilion improvements, rest rooms on the course, pool, #13 and #15 ditches need to be dug out including the ponds on #5 and #8. I'm sure I missed some but please feel free to let us know what you are thinking so we can incorporate it in our plan(s) going forward.

I do need to mention the staff and board members we currently have at Berkeley are making my job so much easier, so a big THANKS to Brian, Austin and the Pro shop group along with Ed and his staff, Lillian and the grill room staff, and of course Amy that keeps everything moving in the right direction and paid for. I have asked the Board to make Berkeley Country club exciting again and I think it is starting show with some of the Tournaments and Grill room specials

Best Regards,
Bogie
