Around the Golf Course

Happy holidays everyone! Hope everybody is enjoying the good weather we have been getting so far this season! Hopefully we will get a dry winter this year, it's been a long time since we have seen one of those. We will be finishing up the landscaping renovation in the parking lot this week, that has gone really well so far. The last application of winter pre emergent herbicide will be done this week. We will start with broadcast spraying of the course next week to remove any weeds that are leftover. We will also be starting some projects out on the course with trimming the ornamental grass and pruning the understory of the trees on the property. We look forward to seeing you out on the course!

Exeter Grill

With a saddened heart, I am sorry to announce the passing of one our own, Lynn Teresa Tavis who worked in the grill room passed away on December 4th, 2021. For those who knew her, knows she cannot be replaced. Her personality, her smile her ambition to live life and give other joy were contagious. Yes, she had her quirks but don't we all. I feel I speak for all in the grill room We loved you Lynn without a shadow of a doubt. May you find peace in your resting place, and I know you lived life on your terms. Taken too early from us, for me anyway. I loved this woman like my momma. I don't ever get to see her again and that's what hurts the most.

There is a go fund me page being set up for anyone that would like to help with her funeral.

So, we've almost made it to 2022. Here it is December, and it truly seems like an oxymoron that time has flown but in the same breath it has been the longest year. How many of you agree? So many changes to our country. I know of some of you who have lost family and friends this year and that it has been more than tough. Believe me when I say my prayers have been and will continue to be with each of you.

I've been told that Glow ball was a success and hope that each of you who participated agree. That pleases me and I hope all of you enjoyed. Well with December here it is the season of giving, I'm not sure if I have told you but Christmas is my most favorite holiday. Time to bless and give generously to others who are less fortunate or who just makes your day.

We have started to decorate for Christmas around the club and will continue. There will be special hot drinks for the season that will/ should be readily available such as, Peppermint Cocoas, Fire ciders, & Hot chocolate with Baileys.

To each of you our second family, the Bar Staff and I want to wish for you the best Christmas this year. Whether it be safety, health, financial or whatever you may desire we hope that it will find you well.

Love Lillian
