Around the Golf Course

Hey guys hope everyone is having a great start to the new year! So far the course has held up pretty well and we are happy with our conditions. It looks like we will be in for some rainy weather for the start of February. So just bare with us while we see what mother nature has in store for us. Our dedication to lowering the post annual or annual bluegrass populations is really showing some great results this year. Overall the course is extremely clean and very consistent that will make our transition into the spring season even better since we won't be dealing with a huge influx of poa. Thank you guys for doing your part by fixing ball marks, filling divots and keeping the carts out of high traffic areas and wet areas. Let's keep that up through the end of the season. It makes a huge difference in course conditions! Thank you guys so much for your support and we will see you guys out on the course!

-Ed Walker

Welcome New Members!

Please join us in giving a welcome to our newest BCC Members. We are excited to have each & everyone of you & look forward to seeing you around the club!

Business Office

Thanks to everyone that came out to the Oyster Roast. We had an awesome turn out and it looked like everyone had a great time. Shout out to Crazy Dutchman Catering, Meade Agency & Shane Clark, all of our members and employees for making this a great event! The construction that has been going on in the hallway and the restrooms is to make me a new office. The ladies restroom had a sitting area that we figured we could utilize an office out of it. So you will not be able to speak to me while checking in the Pro Shop but please do so while you are headed to the restroom LOL.

Don't forget to contact me if you need to update a new card on file or if your email address has changed.

-Amy Lawrence
