Happy new year!!! This month is going to be a big kick off for the maintenance department for the year! We will be installing the new pumps and panels for the irrigation system and we will be starting another drainage project on 13. We will also be pruning all of the ornamental grass and raising the canopy on some trees. We will also be removing the dead trees as well. ## Business Office

Welcome to 2021!! Let's put that awkward year of 2020 behind us!!! We had a great Members Christmas steak dinner December 11th and I would like to thank everyone that came. We did have some lucky winners on our drawings. Congratulations to Bogie who won 6 months of unlimited cart plan. Other prizes were 2 \$25.00 gift cards, 2 one hour golf lessons from Brian our Head Pro and free rounds of golf at nearby courses. The 2021 GHIN Handicap billing will be posted on February 1st for \$30. If you have already paid this during the year then your annual fee will be on the month that you paid it. Please call the Pro Shop if you would like to sign up for the service

Our sympathy goes out to the family of Jack Gooch who recently passed. Jack was a former member and a great guy.

## Exeter Grill

Well, we made it to 2021, and if its Gods will, we will make it another year. A couple of things to mention, I just want to give a huge shout out to everyone that helped and was part of the success of the first annual Steak Christmas Dinner. (It would not have been a success without everyone, and I mean everyone's help) It was a blast. Great Food. Music, and family time because at B.C.C that is what we are. The staff and I hope everyone had a great Christmas and a Happy New Year. The grill room got a new Commercial Freezer (super sweet) Thanks goes out to the maintenance guys for getting it into the grillroom. It is a beast. We had to rearrange the kitchen just a tad so please bear with us if we seem a little scatter brained as far as trying to get adjusted to new locations of items.

A couple of things I would like to ask/ propose to each of you. When coming into the grillroom (and we love to see and have you all the time) If you open a tab may we ask that in consideration of the bartender on duty that shift or day, that you close out with that person if possible. Or by the end of day at the latest. Also, I know there has been some discrepancies and misunderstandings on tabs and accounts and we are not looking to upset any of you so could you help me help all of us by making sure that we (the bartender and you are in complete understanding whether you would like a tab opened for the shift or day or if you would like it charged to your account.)

We are working on an event for the beginning of February (Super Bowl/ pig picking) so please make sure you are looking at BCC Facebook page, their home page and around the club. More details to come soon.

I look forward to the coming year and being part of such an amazing company and family. I know my staff loves each of you, but I think I love you all more(lol). No lie this is one of the best jobs if not the best I have ever had. And I hope I do not disappoint in my job requirements. As I am writing this, I reflect to the day Austin called me back middle of May and asked me if I wanted the job. I was walking along the ocean in myrtle beach. My friend and I had just found a real-life starfish on the beach. I am so thankful for that call that has changed my life for the better.

I would like to offer up a little prayer for all of us in the New Year.

Lord Jesus, as we enter the year 2021, I pray that you will put your arms around each of us and keep us safe, blessed, healthy, and prosperous as we trust in you Lord and your direction for our lives. We are nothing Lord and can do nothing without you in our hearts and lives. The world is a scary place, and the worlds future looks dim and bleak, but Lord I trust in you and only you. Your ways are higher than ours. We are not to fear you said all of this would come. Amen.

B.C.C members we look forward to seeing you soon.

Love Lillian,  
Faith can move mountains!
