Around the Golf Course

Summer is definitely knocking on our door here at BCC and we are ready for the days ahead of us! We will be punching the greens on June 6-7th. I expect our recovery will be really quick. Over all I am pleased with course conditions and I really like the direction we are heading. The next couple of months are going to be really busy for us and I think we are going to have a fantastic summer season! We look forward to seeing you on the course!
