Around the Golf Course

Hey guys March is finally here and the golf course is transitioning very well!! Everything we have seen so far shows us we are heading in the right direction, hopefully we will get a break from all this rain! Time is running out if you are going to pre emerge your yard for weeds you may want to do this week. We just finished installing the new drainage pipes on 17 fairways. Thank you for your patience there. We will be starting on drainage around #1 green shortly. See you guys on the course!

Exeter Grill

Wow, February weather was wetter than wet. Hopefully, March will be so much drier and hopefully warmer than February. So, with February fastly departing (thank the Lord). Let us talk about what went on in February, we had to cancel Glo ball twice due to weather. We did have our first pig pickin and 1st AUCD bloody Mary bar both seemed to be big hits with you all. We are running the beverage cart for the first time this Saturday the 27th. We hired three new persons for the bar and grill. Go introduce yourself to Cindi and Amanda. Madison will not start till April. So now that we are all caught up for February, let us talk about what we got going on in March. We are hosting a St. Patty's Day Dinner event on the 17th from 5-8 at the club. It is an RSVP event. So, make sure to go and like and check the details out on our pages (Berkeley Country Club, & Exeter Bar & Grill) plus you can stop by the club and ask or RSVP also. The plates are \$10.00 each and choices are Corned beef and Cabbage or Shepherd's pie and salad. There will be music, drink specials and a Surprise drawing. Deadline to RSVP is March 12th. For March that is pretty much it, I know April is going to have us running lol. Please make sure to stop by the bar meet the staff, try some of the new drinks and at the very least just stop by and say hi! We want you to know we miss each of you. We know the weather has been horrible and we cannot wait for it to improve. We are looking forward to hopefully seeing our happy hour members again soon. I pray the Lord continues to bless us and keep each of us safe and in his protection. I thank the Lord for his mercy and grace each day, his protection over my family and myself and to help me not forget how blessed and fortunate I am even when I do not think so. Just Remember, there are people who have it worse than we do and are still blessed because there are people worse off than them.

As Bugs Bunny would say

That's all Folks.

Love each of you

Lillian Ertz (yep that is right as of March 6th, I'm an ERTZ and proud of it) lol.
