## Around the Golf Course

March is quickly approaching and hopefully we will get some good weather along with it! The golf course is transitioning very well so far. I believe we are going to have a great year ahead of us. We have a few projects lined up for mid March and April. We will be installing some additional drainage around ten and eleven greens to increase the playability of those areas after heavy rains. We are also about to finish up with our tree pruning and removal as well. Thank you guys for all the positive feedback and we look forward to seeing you on the course.

## Exeter Grill

Hello everyone, I hope everyone is well. The last part of February treated us very nicely. Loving the weather. Hopefully March will be just as nice to us.

As you all know the remodeling has begun and the transformation of our patio is beautiful. Its going to be the place to just chill and enjoy. The grill room is next, and I cannot wait for it to begin. We are looking to hire more staff to accommodate not only the summer business but the expected increased business from the remodel. (So, if you know anyone who wants to serve, cook, bartend etc. please send them our way).

March 13th is Daylight Savings, and we will be starting our summer hours sometime in March so please be on the lookout for that post.

We have some great specials in March, check them out online or at the club. Sundays in March will be a TBA each week. (So, make sure to check in and see what the special is, we will be doing lunch specials (Fried shrimp, BBQ sandwiches with a twist, Fish and Chips, etc.) We are trying to introduce new specials and see what everyone likes). We will also be introducing from time to time a dessert option. (We are in the process of trying some new chef inspired items so bear with us.) We are looking forward to our 2-man tournament in April. We had a blast last year and we learned a lot about what you wanted, and we are aiming to please. Important part is to have FUN!!

- As Always Love
