Around the Golf Course

Hey guys spring is finally here and we are beginning to get into the full swing of things! The course is progressing nicely and I believe we are going to be looking at another great year at the club. We finished up the vast majority of our goals for the winter and are looking forward to a productive summer season. As we transition into the summer season let me take this time to remind everyone to fill there divots, repair ball marks and use the ninety degree rule while driving around the course. Also please be careful of all of the ropes and stakes we have put up around the course to help with traffic control, thank you guys for all of your continued support!

So almost a half year gone, can you believe it? What have you done this year? Have you accomplished any of your goals or done something new and exciting? Life is too short to have regrets, to not try something new it can be as little as a new food item to bungee jumping out of an airplane. Be Spontaneous and Courageous.

April has come and gone and wow the changes it brought. Have each of you come to see the country club? The bar and grill, the outdoor patio? If not, you are missing out. The bar and grill are beautiful with its wrap around bar and new face lift. The outdoor patio, there are no words to tell you how much some have enjoyed the bistro height tables, the firepit and pergola. If you haven't been to the club since

April 1st you need to come, see us and We also have draft beer now.

In April, the 2 -man tournament was held downstairs in the new grill area and outdoor patio, and it was a success. We had beautiful weather, amazing staff and beautiful and amazing members who are always the light and laughter of our soul.

May brings new opportunities and in case you haven't heard, we are trying something new in the grill. (8oz Handmade Hamburger Patties made to order.)

We are going to see how everyone receives this and how well it does. We may continue or look for another option. So far, the feedback has been good. Our beverage cart should start running everyday starting May 12th. There are a few tournaments in May, and we are looking forward to them. If you haven't been to the club in a while, we would love to see you and with the beautiful weather you can play, have lunch, relax on the patio or all three.

Business Office

I apologize we missed sending out a newsletter for April. We had a lot going on, trying to wrap up the renovation of the Grill Room and signing up new members!!! Look at this list! We are SO excited to see our membership growing like this. The renovation of the Grill Room and outdoor patio area is complete and I think everyone is pleased with the new look. I would like to give a huge shout out to Satchel Construction for the outstanding job they did. They were very professional and such a pleasure to work with from the designing process to the final completion. Thank you again Jordan Fuller, Jason Jackling, Patrick Bucci, Zach Gaines and Grahame Davies.
