Around the Golf Course

Winter is quickly approaching. Hopefully we will get in a dry fall for some great golf weather! The golf course is looking fantastic and we are pleased with what we are seeing on the course. We are almost finished with our cart path project. We still have a few drains to install and we will be going over everything with a heavy duty roller this week.

Please remember to repair your ball marks on the greens as we transition into the winter. It will help us maintain a consistent putting surface for everyone. Thank you for your support and we will see y'all on the course!

Good evening to each of you, as we enter November, let us reflect on this past year and how fast it has gone by. I hope and pray that the past 10 months have been a blessing, maybe in disguise for some. I know sometimes we pray for things we want and things we want right now and our way, but we must remember in Gods Time and Gods will. God is good all the time and all the time God is good. I say this because from personal experience over the last few months I had to remind myself of this daily. I know I have not been very present at the club the last few months and I do apologize; I had some personal things that needed my attention. I feel you were in good hands. I have missed seeing all of you on a regular basis.

So, with all that said, Lets talk about Glow ball!!!! We plan to do it bigger and better and hope everyone has lots of fun. I hope to see a lot of you there. The bar will be decorated I'm thinking Fri night through Sun night just so everyone can have a little glow fun. We are pondering the idea of glow shots and drink specials. We do hope to see you there. So, if you haven't signed up you should. I am still looking into Bingo nights I'm going to try and call the contact this week and inquire so keep on the lookout.

Also let's not pass over Thanksgiving like the world seems to be doing, they barely get one holiday out and over before they are onto another and from my perspective the last 10 years they skip over thanksgiving. Let's bless others who are less fortunate. How do you spend your thanksgiving? With family? Friends? By yourself? Blessing others?

I am very blessed to be part of Berkeley Country Club and have the bosses, coworkers, and staff that I have in the grill. Thank you, Ladies and Gentlemen, for all you do. I am very fortunate to have met a good majority of the members and to know their name and love them.

November is surely a month for counting your blessings (not that any month is not) and to bless others. Smile and complement someone every day of every month. You have no clue the battles or demons someone is facing and that your smile or complement can make the difference in their lives.

I cannot say it enough how much I have missed each of you and love each of you like family.

So big hugs and short kisses

-Love Lillian

Business Office

Happy November! November is the month to remind us to be thankful for the many positive things happening in our life. I would like to wish all of you a very wonderful Thanksgiving holiday and safe travels if you are traveling.

If you have a credit book balance you need to use it by December 31st. Pro Shop will have a sale starting December 15th for all items. Look at your December monthly statement to see what your balance is or ask someone in the Pro Shop.
