Hitting inside of the Range Ropes: Please Practice inside the ropes. We need to set a rotation for the range. This will help the regrowth of our hitting surface.

Golf Carts: Please adhere to car signs and ropes around the course. We want to keep BCC in the best shape as possible.

Driving the golf course at dark presents many opportunities for accidents to happen. For the safety of Players & Staff, please Return all Golf Carts 15 minutes prior to dark.

Hello and thank you for all of your support we have had a very successful summer season and are looking forward to having a awesome and productive fall season! Exeter Grill

I would like to say Hello to all our members and briefly introduce myself to those who do not know me. My name is Lillian and I am the young lady who the board was so gracious to ask me to run the daily operations of our Bar and Grill(whom I hope I don't disappoint any of you). I am originally from NC and have lived all over and moved to this part of SC 6 years ago. I have 5 kids all grown and 1 sweet grandbaby named Cora. Some of you might have met my so-called hubby Stephen at this past Labor Day cookout. (He was the man grilling the food). We moved here from Georgia, bought a house and I was blessed that I saw the ad for this job on the internet and that Brian offered me a chance to work here.

As the lady overseeing the daily operations of the bar and grill. I strive for (to be honest, perfection) in every way. That is who I am. I believe that we have a great group of ladies that work in the bar and grill, if you can call it work, do not to me it is fun. I love my job.

Our team behind the bar consist of Myself, Michelle who has been there the longest, April who works only on the weekend, Phillis who does more nights than days and Sarah she is the youngest (lol). So now with the introduction out of the way, I am super excited to announce that with everyone help over Labor Day weekend, the cookout was a success.

Thank you! - Lillian

I am incredibly pleased and look forward to introducing and trying new items, specials, and lunch events that we have planned.
