Hey guys fall is right around the corner!

If you haven't got your pre emergent herbicides down you need to do so now. We will be swinging into our project on the course as well. Starting in October we will be starting back on the cart path project and we are hoping to have that completed by the end of the month. We also will be overseeding the tees this week. Our new tees will also be opening soon. We have some other projects lined up too that will be coming down the pipe soon.

Exeter Grill

Good afternoon, here we go again September has left us and we are into October, the last 3 months of the year. We had some nice cool days in September hopefully it will continue into October. Also, the grill has started closing at 6pm everyday as of Sept 30th. October is here and Octoberfest and Halloween seem to be approaching quickly. Maybe between football and other things I can arrange a grill event to combine the two and maybe the weather will be nice for us. **Remember Happy hour is Thurs through Sat 4pm-6pm (Be on the lookout for a new menu) Come out one of these crisp evenings play some cornhole, beer pong or just hang out with some friends. Ritchie Cooper donated some cornhole boards, lots of fun. Thank you, sir, very much! Also, I am looking into trying to work with my schedule and football schedule to try and plan an oyster roast. How does everyone feel about maybe hosting and participating in bingo nights? Been thinking about maybe doing once a month on Wednesday nights still got to get in contact with someone and figure out all the details but keep an eye out. I want to apologize to all for the lack of grill events we have had this year. We have not had the staff and I have had a lot going on, so I apologize I'm going to try and plan some hopefully starting in November. I want to thank Anyone and everyone for all that you do for not only myself but the crew. It does not go unnoticed or unappreciated. I would like to personally thank Brian and Amy for all they do to assist me with help, advice or whatever it may be. It is truly appreciated. This is one of the best jobs I've ever had.

God is Good all the time and all the time God is Good! (He truly is)

Remember Praise him on the Good Days and the Hard Days!

Love Lillian
