Around the Golf Course

Hello and I hope everyone has enjoyed our summer so far! Things will be slowing down here since we are moving into September. With that being said we are still trucking away on the course! Two of our biggest projects will be firing up soon. We will be building new senior tees on 16 and a new white and blue tee on number 8. We also are going to start back construction on the cart path project now that the rain has calmed down. See you out on the course!

- Ed Walker

Reminder: Please fix your ball marks on the greens and fill your divots in fair ways.

All carts should be in by 8:00pm

If you have a standing tee time you may want to contact Pro Shop to verify it since we recently made some changes to the tee sheet.

Please remember to call to cancel if you are not going to use it.

Exeter Grill

Good afternoon, here we are in September. Hopefully we will have cooler weather this month. Not much to post about August. We hired a couple new people in the grill. Heidi, Val, and Jessica, we would also like to welcome back April on a part time basis. So, to all you ladies welcome to BCC. We would like to wish Austin in the pro shop the best of wishes with his new career. You will be missed. Nobody can replace you. Don't forget we have a beer pong table and am looking to purchase some custom cornhole boards for those fall late afternoons or weekends. I want everyone to know how much we appreciate each of you.
