Around the Golf Course

Hey everybody things are going great on the course! The airification of the greens went great and we expect to be healed in by the end of the week. The weather has delayed our progress on replacing the asphalt parts of the cart path but we will be restarting that project shortly. We will also be starting a tee renovation project on the white and blue tees on 8 and the senior/ladies tee on 16. Looking forward to seeing everybody out on the course!!!

Exeter Grill

Well, if July hasn't blown up. It is now August. Where does the time go? So, I would like to thank everyone that participated in the member member tournament. Thanks for showing up and representing. Secondly, I want to thank all personnel involved whether it was pro shop, grill or cart that made the member member go off without a hitch. Sometimes personnel get forgotten and it is never intentional, but it happens so thank you too all.

We have a few tournaments in August and the club championship and Berkeley invitational are just two of the bigger ones. We are looking forward to them and seeing new and old members showing up and participating. We must represent Berkeley. We are Great. So, I expect to see a huge turnout in participation for both tournaments. Plus, we love seeing you all especially ones we don't see on a regular basis. Okay so I know there's been a post-up about some exciting new things coming to the club so I'm here to drop a hint (How many people like beer pong)??

Don't forget to check the daily boards for daily specials.

Also, with sadness I'm tormented to say that Michelle last day with us will be August 7th. We (I) are sad and sadder to see her go and even though I know she will be around the club from time to time it will not be the same.

We are looking for day in and day out for people to work, if you know of anyone, please send them our way. I hope that everyone is staying hydrated. I love each of you and each of you have become like family to me.

See you soon! - Lillian
