## Around the Golf Course

Hey guys the fall season is quickly approaching and we are looking forward to it! We have fared pretty well with this latest storm. We only lost one tree and a few big limbs other than that we just have a lot of small limbs and leaves to clean up. It will take us a few days to get everything cleaned back up and put back to normal. The greens are really looking nice and are setting up great for the rest of the year. We look forward to seeing everyone on the course again soon.

- Ed Walker

# The Fall 2024 Season

The Fall 2024 Season has been very popular for our Operation 36 Junior Golf Program. We had 34 students in 2 classes meeting on Tuesday and Thursday afternoons. These same students have been on the course testing their skills these past two Sundays have been on the course testing their skills these past two Sundays and have been exceptionally successful. Fourteen students passes to the next levels. Zoey Hall and Cooper Lawrence have both advanced two levels. Zoey Hall scored 29 to pass level 1 on her first try last weekend, the lowest passing score for our Berkeley Operation 36 Junior Golf Program.

Just as impressive is that there has been a total of 83 strokes of improvement among all the students these past two weekends. This group will have their last attempt on the course this coming Sunday, and

I anticipate continued growth and progress.

The Fall II Junior Golf sessions begin on October 15th. Registration is now available through the website. Students in this session will have the opportunity to challenge their skills on the following

Sundays: 10/20, 11/3, and 11/17.

If there are adults who would like to join or have questions about and Operation 36 Program, please get in touch with Kara Cook at [cook.kara@gmail.com](mailto:cook.kara@gmail.com). Kara would love to begin an adult version of this program to help our members strengthen their short- game skills and improve their overall scores.
