January 1st I will start the monthly billing with our new point of sale system and if you had a card on file for your account it will not transfer over to the new system. In December watch for emails explaining the process and how you will be able to access your account online to add payment information and make changes to your profile. You will have a choice of paying by credit card/debit card or ACH where you can add your bank routing and account number.

If I don't see you before the holidays, I would like to wish you a very Merry Christmas and a Happy New Year!

-Amy Lawrence
